The 1959 Lair

May He Rest in Peace

We, the Annual Staff, wish to dedicate the 1959 Lair to Reuben Adam Gomke, born February 14, 1943; died November 29, 1958.

THE ANNUAL STAFF

REUBEN ADAM GOMKE

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourn of time and place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

Alfred Lord Tennyson

A HEALTH to our future - a sigh for our past;
We love, we remember, we hope to the last;
And for all the base lies that the almanacs hold,
While we've youth in our hearts, we can never grow old!

OLIVER WENDELL HOLMES

We hope that our endless efforts to produce a lasting picture of the many memories and untold joys which we shared during 1958-59 will increase the happiness you find when you delve into this treasure chest of sentimental memoirs.

Superintendent's Message to the Class of '59

Dear Seniors,

You have worked hard to produce a good yearbook. I believe it will be a yearbook that will set a high standard for senior classes to meet in years to come. When you receive your copy, treasure it. It is your record of high school days. The value of a yearbook is not measured in dollars and cents, but rather in the memories it preserves.

Your motto, "FIND A WAY OR MAKE ONE," is well chosen. Follow it long after you have left school. Encourage those who will follow in your footsteps to pursue this high standard.

As you go through life, however, try to keep in mind that your way may not always be the right one. Respect the other person's point of view. Don't jump to hasty conclusions. But if you are right, and even if others do not agree, stand fast.

Sincerely

James F. Yarbrough

Senior Class History

In the fall of 1955 there entered into Kremlin High School nine mighty Freshmen. They were Jackie Bullman, Roxie Wright, Shari McLain, Anna Mae Odewaldt, Bonnie Pollington, Earl Donoven, Glen Reese, Raymond Ordway, and Terry Roberts. During this year Earl, Glen, Raymond, and Terry joined the Foxes' basketball team. Early in the second semester we lost two of our classmates, Raymond Ordway and Anna Mae Odewaldt. On April 20, 1956, the high school play was held, "THE CURSE OF AN ACHING HEART," in which all the Freshmen girls participated.

Next we entered into our Sophomore year in the fall of 1956 with Fred Davidson joining us in the second semester. That year Jackie and Roxie were elected cheerleaders and Earl joined the "A" Squad. The boys also joined the football squad that year. In the spring a track team was started, in which all the boys participated. They later attended the annual track meet in Great Falls. We all took part in the play, "HILLBILLY WEDDIN'," which was enjoyed by all.

Then came our Junior year in the fall of 1957. That year the remaining boys joined the Foxes' "A" Squad and Jackie and Roxie were again elected cheerleaders. One of our classmates, Terry Roberts, was married in the spring of 1958. The play we presented that year was "STRANGER IN THE NIGHT." It was given on April 20. All the Juniors were happy to have been a part of it. On April 26, the Juniors honored the Seniors with the Junior-Senior Prom. The theme was "SAIL ALONG SILV'RY MOON" and the gym was decorated with blue and white crepe paper.

The climax of our high school years came in the fall of 1958 when we were Seniors. The boys were still with the Foxes' and football, except for Terry, and Roxie and Jackie were elected cheerleaders for the third time. Roxie later dropped out and Shari was elected in her place. On April 18 of this year we held our last play, "GRANDAD GOES WILD." All the Seniors were in the play again and enjoyed playing their roles. We Seniors got a little restless after so many years of school so we decided to go on a sneak trip. We left April 24 at 7:00 a. m. and toured the Southern and Western parts of Montana. Our first stop was Helena, Montana. There we saw the Charles Russell Art Museum and the Capitol Building. About 4:00 the same day we reached Virginia City. The older part of town was closed, but a good time was had by all. That night we stayed in Butte, after a little difficulty of finding a place to stay. The next day everyone was up bright and early at 6:00 all ready to travel some more. We ate breakfast and started towards Missoula. Along the way we stopped at the Warm Springs Mental Institution, the Galen Sanitarium, and the State Penitentiary at Deer Lodge. While the girls went through the Galen Sanitarium, the boys went to Anaconda to see the smelter. That night we stayed in Missoula and took in a show. Our last morning we decided to go to Flathead Lake and around the edge of Glacier Park. We also stopped and saw Hungry Horse Dam. We reached home Sunday, April 26 at 7:00 p. m. Our chaperones were Mr. and Mrs. Kenneth Kolczak and Mr. and Mrs. Lloyd Donoven. The next occurrence was the Junior-Senior Prom and Banquet held May 9 in honor of the Seniors. Last but not least were the biggest events of all, Baccalaureate and Commencement. This ended our four long, but happy, years of high school. Now we shall go out to face the world with the powers of knowledge that we have thus far attained.

Class Will

I, Jackie Bullman, hereby bequeath my position as Editor of the Kremlines to Mary Wall. I also bequeath my position of cheerleading to Shirley Gomke.

I, Roxie Lee Wright, wish to bequeath all my annual and paper work to Margaret Rolston, Mary Wall, and Karen Nelson. I also leave my place on the honor roll to Sharon Howser.

I, Shari Rae McLain, bequeath my ability to bite my fingernails to anyone who can't wait for dinner, and any old rings, jackets, and pictures I've collected the past four years in K. H. S. to Beth Reese. I also bequeath my position in the Havre Air Force Base to Sharon Stensrude. My position is Commander of Charley Crew.

I, Bonnie Marie Pollington, hereby bequeath my place at the senior table to Randy Vogel. I wish also to bequeath my English book to anyone who wants it.

I, Terry L. Roberts, bequeath my bad manners to Lynden McLain and anything I have left to anyone who gets to it first.

I, Earl Neil Donovan, bequeath my ability to get along with the teachers to Marvin Melby and my position as Editor of the Annual to Melvin Gomke. I also bequeath my position on the ball team to Dick Pollington.

I, Glen Patrick Reese, bequeath my good looks to Donnie Gomke. I also bequeath my studying ability to Margaret and Mary. And to my beloved sister, Beth, I leave my absence, which should make her very happy.

Class Prophecy

As we gaze into the crystal ball and look into the future ten years from now, we see:

Roxie Wright as a private secretary for Mr. Dupont. She travels to his different offices all around the world. At the present time she has joined her former classmates, Beverly and Shari in Hollywood, California. She intends to stay in Hollywood for an indefinite time. Just a minute, the phone is ringing. "Hello!" It's for Roxie. "Who? Gary Howser? Well, how are you. . ." Roxie has just changed her mind about staying in Hollywood. She just resigned her post as private secretary and is planning to go back to her old home town, Kremlin, Montana.

We see the card of our class, Glen Reese, as a college professor teaching at Poly Tech. in California. He is teaching his favorite subject of advanced sun bathing and oral penmanship, on the beach, of course. It may interest his classmates to know that we also see him driving one of his favorite cars, a Chevy! Remember how he used to hate them?

We now see Shari McLain, the extrovert, at last joined with her partner in crime, Beverly Trulson. Shari has tried many vocations but can't seem to choose the one she likes best. At the present time she is a singer in the famous "Purple Onion" in Hollywood, California. As we got a glimpse of her through the crystal ball, we saw her reading a letter. We believe the name on the envelope was Melvin Gomke.

The married man of the class, Terry Roberts, we see is still married. However, there has been a few additions to his family. They have two Irish setters and three angora kittens. Terry is still studying to be an electrician. He has been going to several different colleges throughout the country. From the looks of things, Terry still hasn't left the beatnik stage.

Now we have the devoted couple, Jackie Bullman and Earl Donovan, now Mr. and Mrs. Donovan. They now own a large cattle empire known as the lazy KD. It is located in the Northwestern part of Montana. They worked hard for everything they own and are now enjoying life along with their children. Throughout the household are several servants and maids that rush to the call of Mr. and Mrs. Donovan. At our last look at the Donovan family, they were getting into their 1969 Cadillac to go back to Kremlin to visit their old stomping grounds.

And lastly we see, Bonnie Pollington as another Florence Nightengale. We see pictures of Bonnie throughout the nation for her brilliant work in the medical field. She went to college for seven years and got her doctors degree in medicine. She is very happy doing this type of work because it is what she has always wanted to do. During the past few years she has been traveling throughout the world giving talks on new ideas and experiments in medicine.
